I am writing to inform you that today, August 17, 2017, the ACLU of Virginia submitted video from the August 12, 2017 rally in Charlottesville, VA to your field office via your online submission form. After contacting your office directly, I was told by your staff to submit the video through this online portal.

One of our legal observers at the rally captured the incident. We were made aware of the video yesterday, August 16, 2017 after it had been uploaded by our legal observer through our online dropbox. This video shows a white male participant in the Unite the Right rally point his gun at an African-American counter-protester and then shoot the ground near this counter-protester.

Please confirm with our office that you have received this video. Please contact me if you have any problems with the file. As well, if you did not receive it, please contact me immediately.

Thank you,

Charlie Schmidt
